

No matter who you are,
no matter where you are
on your spiritual
journey, you are
welcome here.

What do we mean when
we talk about God?

There is no external,
theistic, interventionist
deity off in the sky
somewhere.

What is the
character of your
"God"?

We must always remain
spiritual seekers
committed to growth.

CREATION: THE TRUE STORY

On the first day,
God created nothing,
because there was
plenty of time.

Second day:
Same deal.

On the third day,
He created a list.

On the fourth day,
He was not in the
right mood.

On the fifth day,
all this stuff was
going on. You don't
want to know.

On the sixth day,
God created the
whole shebang.

On the seventh
day, He rested.

Kanin

*"When you get a chance, remember to ask God
the meaning of life—it's a riot."*

God as a kid tries to make a chicken in his room.

"Sorry, I can't—I have to be everywhere."

When one conception of God has ceased to have meaning or relevance, it is discarded and replaced by another.

Spirituality is about
cultivating right
relationships at every
scale of reality.

Humans have

percent of the
earth's history.

Incarnation names and celebrates the embodiment of God in the whole of creation, celebrating what God creates throughout the 13.7 billion years of evolution and beyond that into deep time.
