

Ordinary Life

Growing in awareness of
Sacred Mystery.

Deepening our understanding
of our *true identity.*

Developing skills in practicing
loving-kindness and compassion

A daily practice is that which we habitually enter into with our whole heart in which we assume the inner stance that offers the least resistance to our being over taken by the experience of Sacred Mystery which we are powerless by our own efforts to obtain.

BEING BOUND FOR FREEDOM AND LOVE

Ordinary Life

Truth wants to break into our
consciousness, tie up the
owner, and loot the place.
