Humpty Dumpty sat on the wall,  
Humpty Dumpty had a great fall;  
All the king's horses  
And all the king's men

Couldn't put Humpty together again.

More often than not  
religion teaches us what  
to look for  
not how to see.

Transformation sounds -

Wonderful - liberating

Awful - threatening

A true human being can be  
compared to a wise fisherman  
who casts his net into the sea and draws it  
up from below  
full of small fish.

Hidden among them is one large,  
exceptional fish that  
he seizes immediately,  
throwing back all the rest  
without a second thought.

Whoever has ears

*Ordinary Life* let them understand this.
