Life is like arriving late for a movie  
having to figure out what is going  
on without bothering everybody  
with a lot of questions,  
and then being unexpectedly  
called away before you find out  
how it ends.

Life is like a roll of toilet  
paper.

The closer to the end you  
get, the faster it goes.

Life is a journey.

But don't worry, you'll find  
a parking space at the end.

Life is like riding a bicycle.

To keep your balance, you  
must keep moving.
