"If you ever start taking things too seriously,
just remember that we are talking monkeys on
an organic spaceship flying through the universe."

Imminent Psycho-Spiritual Needs

- Need for a sense of the wholeness of life (integration)
- Need for a sense of purpose in “being,” especially when “doing” is more difficult
- Need to acknowledge positive and negative life and spiritual events
- Need to confront, accept, and plan

A photograph of a sunset over a rocky beach. The sky is filled with dark, heavy clouds, with a bright orange and yellow glow from the setting sun breaking through near the horizon. The ocean waves are crashing against the shore, creating white foam. The foreground is dominated by dark, smooth, rounded rocks.

Life is what happens to
you while you're busy
making other plans.
